SPF -Strategic Partnership Framework

(Prevention in Motion) – 300,000.00/yr

Joana Wells/Tiffany Shirley/Esther Hernandez

Description: *SPF is a 5-year federal grant that focuses on reducing underage drinking and substance abuse. We implement the All-Stars curriculum with middle school students, which is an evidence-based curriculum that is designed to change qualities that research shows accounts for why adolescents engage in risky behaviors. The various All Stars programs address the following qualities: normative beliefs, personal commitment to not use, positive relationships with peers and important adults, parent/Adult attentiveness, beliefs about consequences, idealism, positive character, goal setting skills, decision making skills and resistance skills.*

Update:

We are continuing to work with the 8th Grade Health Classes at Carlsbad Intermediate School – PR Leyva campus to administer All-Stars Prevention Programming. The teachers have been an amazing help in administering programming in partnership with our virtual lessons.

Our Teens in Action Youth Council has been helping plan Spring Fling for April 23rd. They are hosting a Volleyball Tournament for the event, as well as assisting in advertising and recruiting business/organizations to host games/activities for youth. If you'd like to host an activity, please sign-up at:

OSAP

(Office of Substance Abuse Prevention) – 100,000.00/yr

Joana Wells/Samantha Smith

Description: OSAP preventionists are committed to the implementation of evidence-based prevention programs and infrastructure development activities. OSAP delivers effective prevention services aimed at reducing alcohol, tobacco and other drug abuse, which includes reducing underage drinking, binge drinking and DWI, reducing prescription painkiller misuse and abuse, reducing adult binge drinking and DWI and reducing prescription painkiller opioid overdose related deaths. We work towards improving these goals by partnering with local law enforcement, school administration, pharmacies, medical providers, parent trainings and many other community organizations.

Update:

We have been working diligently on reaching the community to take the New Mexico Community Survey and we are also preparing to start safe storage and disposal presentations for groups around town.

We have been working with our youth council to plan upcoming events for safe alternatives to under-age drinking and drug use. We have also been in collaboration with the Carlsbad Police Department to prepare for Spring Fling events coming in April.

STOP

(Sober Truth on Preventing Underage Drinking)

\$48,509.00/yr

Joana Wells / Julie Fuentes / Esther Hernandez

Description: *The Sober Truth on Preventing Underage Drinking (STOP) program's goal is to expand evidence-based prevention initiatives to prevent and reduce alcohol use among youth ages 12-20. A youth council will lead community education and media messages for their peers as well as parents and other adults in the community. We use an evidence-based curriculum, All Star Core, with sixth grade students to establish positive norms and personal commitments to avoid risky behaviors (including substance use), promote boding to the school and peer group, and build positive parent/adult connections.*

Update:

The 6th grade All-Stars programming at Alta Vista held two meetings in March, as we are continuing to meet bi-weekly via virtual Google Classroom sessions. We were also able to meet with the teachers last month to discuss program progress and feedback.

Our STOP team continues to work with Teens in Action on prevention projects and activities along with the rest of our Coalition Team.

TOP

(Teen Outreach Program)

\$50,150.00

Julie Fuentes / Esther Hernandez

Description: Wyman's Teen Outreach Program® (TOP®) is a youth curriculum that promotes the positive development of adolescents through curriculum-guided, interactive group discussions; positive adult guidance and support; and community service-learning projects. This program is funded through the New Mexico Department of Health/Family Planning Program. TOP is designed to meet the developmental needs of middle and high school teens and is focused on key topics related to adolescent health and development, including building social, emotional, and life skills; developing a positive sense of self; and connecting with others. The TOP Club meets for 9 months throughout the school year and requires 80% attendance and 25 service-learning hours in order to receive a graduation stipend of \$200.

Update:

TOP Club held three meetings in February with our youth at Jefferson Montessori Academy. The teens completed sessions on Health and Hygiene topics, discussed the importance of positive relationships and practicing good decision making skills. They also completed 60 Valentines for the San Jose Senior Center and helped with the school's Valentines Candy Gram project by creating posters.

TEEN COURT

\$38,400.00

Julie Fuentes / Samantha Smith

Description: *Teen Court is an alternative approach to juvenile sentencing. We receive misdemeanor cases from around Carlsbad, including Municipal Court, JPO, and Magistrate Court. Juveniles either plead guilty or no contest and are referred to Teen Court for their sentencing hearing. Sentencing is determined through a jury of their peers, which includes previous Teen Court defendants. The juvenile defendants are assigned volunteer youth attorneys as a defense team and are also prosecuted during a trial by another team of volunteer youth attorneys. Local attorneys and judges from Carlsbad volunteer their time, sitting in as Judge, for Teen Court trials every Tuesday. Teen Court is hosted by the City of Carlsbad's Municipal Court House and is funded in part by the United Way of Carlsbad and the City of Carlsbad.*

Update:

If you know a teen that may be interested in becoming a Teen Court Youth Attorney, we are looking to grow our volunteer team! It provides great experience within the judicial system and will look great on a college resume!
