PROGRAM UPDATES:

Julie Fuentes reported that the Coalition's Annual Banquet went well with about 50 attendees for the event. They were able to highlight programs and students involved. The TOP Club teacher was in attendance and gave great feedback about the banquet. Julie also reported that TOP began a health lesson and service-learning project in starting a rock garden. The students are currently on lessons 8 & 9 for the All Stars program. Esther Hernandez reported that for OSAP they completed outreach with pizza box flyers at both Pizza Hut and Pizza Inn reminding customers that serving alcohol to minors is a 4th degree felony. At PR Leyva and AV campuses, marijuana fact sheets were covered with students and there was lots of active engagement while doing so. Many youth know someone or multiple people in

their lives who use marijuana in some form. Joana stated they will be working to bring a webinar featuring the “Emerging Drug Trends” instructor to Carlsbad for the public and schools staff. It was suggested to also invite each cannabis store owner as well. Joana then reported that the Coalition increased their request from Eddy County from \$10,000 to \$100,000. The City of Carlsbad currently gives the Coalition \$24,000 each year. The Eddy County Teen Court is booked out through February. They would like to see the program brought back into a full time operation again. A 5K event is being planned for April 20, 2024 for Teens in Action. Other non-profits will be asked to join in the event to help broaden the reach and make it entertaining for everyone who participates.
